HWM

Form-2

**Grant of Authorization under Hazardous and Other Wastes
(Management and Transboundary Movement) Rules, 2016, as amended to date and
Transboundary Movement**

HWM Authorization No: DPCC/HWM/2016/1981-91

Date:- 23-11-16

1. The Associate Vice President of M/s Uttar Pradesh waste Management Project (a division of M/s Ramky Enviro Engineers Limited) having its regd. office at MCD-DMS WML Workshop (Behind Police Station) Model Town, Phase-1, New Delhi-110009 (hereinafter referred as "Operator") is hereby granted authorization for **Collection, Reception, Transportation and Disposal of Incinerable Hazardous Wastes** generated in units operating in NCT of Delhi at its facility authorized by U.P. Pollution Control Board vide authorization no. F99851/C-2/596/HAZ/2012 dated 21.02.2012 and subsequent letter no 19474/596/C-2/2013 dated 06.03.2013 at **Plot number 672 ,Village Kunabhi, Tehsil - Akbarpur, District - Kanpur Dehat, Uttar Pradesh-209101.**
2. The Authorization shall be in force for the period of one year from the date of issue of this authorization order.
3. The Authorization is subject to the conditions stated below issued by DPCC & UPPCB and such conditions as may be specified in the rules for the time being in force under the Environmental (Protection) Act, 1986.

Terms and conditions of authorization:

1. The Operator shall comply with the provisions of the Environment (Protection) Act, 1986 and the rules made there under.
2. In order to ensure disposal of Hazardous waste, operators shall deploy GPS enabled trucks for collection and transportation of Hazardous Waste, provide instant information w.r.t. collection till final disposal in the incinerator plant site at Kanpur. The operator shall use waste tracking mobile application for providing instant information on whatsapp relating to movement of waste to DPCC as well as Uttar Pradesh Pollution Control Board from collection point to final disposal at TSDF of Incinerable hazardous waste.
3. The operator shall follow the manifest system (Form-10) provided under Hazardous and other Waste Rules.
4. The Authorization or its renewal shall be produced for inspection at the request of an officer of the DPCC/ UPPCB/ CPCB.
5. The person authorized shall not rent, lend, sell, transfer or otherwise transport the hazardous and other wastes except what is permitted in this authorization without obtaining prior permission of the DPCC.
6. Any unauthorized change in personnel equipment or working conditions as mentioned in the application by the person authorized shall constitute a breach of this authorization.

7. The authorization is valid subjected to the fulfilment of all the other statutory requirements in other Laws/ Acts Rules as applicable
8. The Operator shall apply fresh for revision grant of authorization in case of any change in the project profile/ process/ products etc. or any deviation from the submitted information to this office.
9. The Operator shall submit the date of start of operation of the transportation facility to DPCC before commissioning the collection & transportation facility.
10. The Operator of the facility shall **only accept Incinerable wastes** covered under the Hazardous Waste (Management, Handling & Transboundary Movement) Rules from the units located in NCT of Delhi
11. The waste must be safely collected in leak proof containers and shall be duly marked in a manner suitable for handling and transport and the packaging shall be easily visible and be able to withstand physical conditions and climatic factors.
12. Each container shall be clearly marked to identify its contents and the date(s) of accumulation at the facility and such information for each consignment is recorded and maintained in the operating records at the facility.
13. The Operator must inspect and if necessary, analysed each hazardous waste consignment received at the facility to determine whether it matches with the identity of the waste specified on the accompanying manifest.
14. Wherever and whenever hazardous material is being handled, all personnel involved in the transportation must have immediate access to an emergency communication device, such as mobile or any other communication system capable of external assistance.
15. All the personnel including drivers must be well informed about the hazardous management procedure relevant to the positions in which they are employed. All the facility personnel must be trained to ensure that they are able to respond effectively to emergency.
16. The operator shall ensure that no adverse impact on the air, soil and water including groundwater, takes place due to activities for which authorization has been granted. Comprehensive safety measures must be followed in handling of wastes and the staff must be properly trained.
17. The operator shall ensure that no possibility of a fire, explosion or any sudden release of hazardous waste to air, soil, sub-surface or water is there while handling and transporting the waste which could threaten human health or environment.
18. In case of occurrence of an accident, complete details must be sent to DPCC at the earliest along with details of immediate and remedial measures taken.
19. In no case any hazardous wastes shall be disposed off on land, in any drain or stream. There should not be any spillages of hazardous chemicals, used containers of hazardous chemicals such as flammable corrosive, explosive must be safely collected and stacked.
20. The operator of the facility shall be liable for all damages caused to the environment or third party due to improper handling and for transportation of the hazardous waste.
21. The Operator shall be responsible for clean-up operation, in case of spillage, leakage or any other accidental discharge hazardous wastes and keep the DPCC suitably informed.
22. The Operator shall ensure that hazardous waste are packed, stored and transported as per the guidelines issued by the CPCB from time to time.
23. Transport of hazardous wastes shall be in accordance with the provision of the rules made by the Central Government under the Motors Vehicle Act, 1988 and other guidelines issued from time to time.
24. Monthly collection and utilization progress report maintaining the quantity of above waste being lifted and incinerated should be submitted to DPCC by every 5th day of the next month without fail in a specified format
25. Operator shall maintain the record of hazardous waste handled by him in Form-3 and prepare and submit to the DPCC and UP state pollution control board, an annual return containing the details specified in Form 4 on or before the 30th day of June following to the financial year to which that return relates.
26. The occupier shall provide the operator with the relevant information in Form 9, regarding the hazardous nature of waste .

27. The operator of the facility shall be liable to pay financial penalties as levied for any violation of the provisions under these rules by the state pollution control board.
28. An application for the renewal of an Authorization shall be made at least 60 days in advance
29. Any other conditions for compliance shall be applicable as per the guidelines issued by MoEP&CC/CPCB/DPCC from time to time.

This issues as per the decision taken in the II (a)/5th meeting of consent committee held on 19.10.2016.
